~Sometimes Volumes are interchanged~

Our Intermediate/Advanced class @ 8.30 will have various titles. To receive regular updates, sign up for our email list [www.tangoandi.com](http://www.tangoandi.com)

The first 2 volumes are completed in the 6.30 time slot on Wednesdays and 10 am on Saturdays. You need to be able to lead **and** follow the 8 count basic in order to graduate to Volume 3 and beyond.

We would like for any student to complete the Level A Volumes. **What does that mean?** If you miss one month, not to worry, simply catch it the next time around. Which might mean that you have followed Level B and return to Level A for one month to complete your studies. USE THE CARDS TO KEEP TRACK

We can schedule a personal assessment with you during a practica on Saturday, or request another time with one of the teachers if you are a more experienced tango dancer / are coming from different tango back ground / different teachers.

### *How to use the cards*

- ❖ Pick a card - sign your name
- ❖ Keep track of your Volume titles
- ❖ Make notes!
- ❖ A volume is completed when you have attended at least 3 classes in that particular volume/series.
